

MidCoast Christian College

Dear families,

As we approach the new year, it is time for us to update you on College Fees for 2025.

Tuition Fees will continue to be invoiced annually at the beginning of the year and statements will be emailed out regularly. The College has an online tuition calculator on our website to estimate your tuition fees.

The College has an all-inclusive fee to help families in their budgeting and spread the cost of schooling over the entire year. **Costs not included in the Tuition fees are:**

- **Excursions:** that are extra to the syllabus, for example Zone Sports carnivals, and are charged on a pay as you go basis (most excursions are included).
- **Other:** Uniforms, secondary students' laptop*, secondary students' book packs and stationery requirements must be supplied by families.

College fees for 2025 have inevitably risen in line with the cost increases in the education sector. The salaries of staff increased 11% alone in the 2024 year.

Salaries contribute to over 70% of our costs, and without the government increasing its funding, this has in turn directly impacted our fees.

Our College will continue to partner with EDSTART, a specialised financial provider for schools. This is our preferred way of payment of fees. You can smooth out your fees evenly across the College year into weekly, fortnightly, monthly, or quarterly instalments.

Edstart payment plans fund current tuition fees as well as amounts in arrears. You can also use a credit card to pay your fees via Edstart.

There are two Edstart options (preferred payment method):

Edstart Pay - Payment plans over 12 months. For families approved under Edstart Pay, the College will pay the service fee, allowing families to pay fees off with no additional charge. Families can apply online at edstart.com.au/mccc

Edstart Extend - Payments can be extended for up to 5 years after your child/children graduate.

If you have any questions, please email me at bmanager@mccc.nsw.edu.au.

Please refer to our Terms and Conditions on Parent Lounge under 'General Links' or our website, for information relating to fees and the required notice period for departing the College.

*This year we are launching managed devices for year 7. The cost of the device is included in fees for that year group. Should your secondary student require a replacement device for years other than year 7, we can add them to the managed device program.

*Sibling Discounts: 2nd child in a family will get a 20% fee reduction on the tuition fee component, 3rd child in a family will get a 50% fee reduction on the tuition fee component. Fourth and subsequent children do not pay the tuition fee component. Camp fees do not receive a discount.

Kind regards,
