## School Uniform

At MidCoast Christian College, our uniforms play a key role in fostering a strong sense of community and equality among our students. By wearing a uniform, we emphasise that the focus is on learning and that every student is valued equally.

Uniforms also simplify daily routines, allowing students to concentrate on their studies and interactions rather than their clothing.

The uniform is to be worn throughout the entire school year, layering up as needed in the colder seasons.

This booklet will provide you with an overview of the uniform, how it is intended to be worn, and the process to follow if your child is unable to meet the uniform requirements for the day.
